

Hillsong London "Rise"

Visit "[Rise](#)" on MotoLyrics.com

We are your light Lord, we're gonna shine God and be
the answer to
The hurt and broken this generation we lead them all to
you

Givin our lives, for what we know and believe in you
Now is the time we'll show the world you're the way and
the truth

The declaration of your salvation, is life lived complete
in you
No more stranger to God the answer we give our all to
you

Your church will rise to be, the hands reach the lost and
met the unmeet need
We will be a revolution
We take a stand today and put our hands to what we
know oh God we pray
We will be a revolution

And your love will remain for all the world
For your grace never fails it's undeserved
