Try to find the words to express the way You are  
But the beauty of the Lord cannot be described  
In just one lifetime  
Look at the sun over the seas  
Look at Your grace that covers me

Now I know  
Yes I know  
Now I know  
I know Your love has saved me

In the morning, I can't stop praising Your name  
In the evening, I can't stop praising Your name  
In the morning, I can't stop praising Your name  
In the evening, I can't stop

And I want you to know  
Yes I want you to know  
Oh yes I

Lord You're so amazing, every word You say is true  
Better than the finest treasure, so glad that I found You  
You held me close when I was down  
Your world has turned my life around

Now I know  
Yes I know  
Now I know  
I know how much I love You

Hallelujah, we praise Your name  
We praise Your name  
Hallelujah, we praise Your name  
We praise Your name
