Visit "[Lord My Strength](#)" on MotoLyrics.com

I called to You in my distress
I came to You in my brokenness
And so You heard my heart confess
My need of You

CHORUS:

How I love You Lord my strength
You delivered me
You are all that I want
You are the air that I breathe

As You came like a hurricane
You split the sky just to rescue me
You reached from high
To help me to stand tall

BRIDGE:

With my God
I can run through the defences
On my knees I can face any foe
With my God
I can conquer any mountain
Cross the deepest valley
Break down any wall
