When I am found upon my knees  
And all I want is you to be with me  
I know you show yourself so true  
My hope is found in you

When I walk through the valleys though  
If I am weary of the narrow road  
I know you show yourself so strong  
I know you're faithful  
All my days I will trust  
I will trust in you

And Though my heart and flesh may fail  
Jesus I will trust in you

When I am found upon my knees  
And all I want is you to meet with me  
I know you show yourself so true  
My hope is found in you

All my days I will trust  
I will trust in you  
And Though my heart and flesh may fail  
Jesus I will trust in you

Hallelujah my soul will sing your praise
