Verse:

For you, I'd climb the highest height  
I'd dive the deepest sea  
Search for more of you

For you, I'd fall upon my knees  
Cry out night and day  
Search for more of you

Pre-Chorus:

And I would give my riches away  
They're nothing without you

Chorus:

Something to live for  
Something worth dying for  
Has taken my heart  
Someone to follow  
In good or in troubled times  
I'd give all I have

Do Anything for you  
Anything for you

Verse

Anything for you

Anything for you (Anything for you)  
Anything for you (Anything for you)

Anything for you (Anything for you)

Anything for you
