"Break Free"

Visit "[Break Free](#)" on MotoLyrics.com

Would you believe me
Would you listen if I told you that
There is a love that makes a way
And never holds you back?

So won't you break free, won't you break free?
Get up and dance in His love
Won't you break free, won't you break free?
Get up and dance in His love

Who would have thought
That God would give His one and only Son
Taking a stand up on the cross
To show His perfect love?

So won't you break free, won't you break free?
Get up and dance in His love
Won't you break free, won't you break free?
His love never ending

There's no escaping the truth
There's no mistaking it's You
God forever we'll get up and dance
Get up and dance and praise You

Now is the time to take His freedom
That has come our way
Offer our lives to see
The glory of Your name

So won't you break free, won't you break free?
Get up and dance in His love
Won't you break free, won't you break free?
Get up and dance in His love, His love never ending

There's no escaping the truth
There's no mistaking it's You
God forever we'll get up and dance
Get up and dance and praise You

There's no escaping Your life
There's no mistaking Your love

Across the world we will get up and dance
Get up and dance and praise You

And for all our days, we are holding on
Holding on to all Your ways, we are holding on
Holding on to all you say and You've done
And we are holding on to Your love, now we will dance

So won't you break free, won't you break free?
Get up and dance, so won't you break?
Won't you break free, won't you break free?
Get up and dance, won't you break free?

So won't you break free, won't you break free?
Get up and dance, so won't you break free?
So won't you break free, won't you break free?
Get up and dance in His love, His love never ending

There's no escaping the truth
There's no mistaking it's You
God forever we'll get up and dance
Get up and dance and praise You

There's no escaping Your life
There's no mistaking Your love
Across the world we will get up and dance
Get up and dance and praise You
