With a little love
With a little hope
With a little light, to light the way
Faith
The mountains will be moved
With alot of heart
With alot of soul
With mind and strength
My trust
My God
Faith
The mountains will be moved
With the faith to see me through
Every mountain will be moved
Faith
The mountains will be moved
Faith
The mountains will be moved
Faith
The mountains will be moved
With a little love
With a little hope
With a little light, to light the way
Faith
The mountains will be moved
With alot of heart
With alot of soul
With mind and strength
My trust
My God
Faith
The mountains will be moved
With the faith to see me through
Every mountain will be moved
Faith
The mountains will be moved
Faith
The mountains will be moved
Faith
The mountains will be moved
With the faith to see me through
Every mountain will be moved

Faith
The mountains will be moved
Faith
The mountains will be moved
Faith
The mountains will be moved
The mountains will be moved
Faith
The mountains will be moved
Faith
The mountains will be moved
