Faithful to the End

Iâ€™m saved from the grace that Iâ€™ve found in You
All that youâ€™ve done
Through the Power of the Cross for me
Iâ€™m saved of the mercy Iâ€™ve found in You
All that Youâ€™re
The fullness of Your Love For me

Chorus:

All that I have
Has come from Your hand
All I ever know is
Jesus You are faithful to the end

Iâ€™ll tell of the wonders Iâ€™ve found in You
And the love that You shown
Is higher than the heaven above me

Repeat Chorus

More than this world.
Could take me from Your love
All I ever know is
Jesus You are faithful
All I ever know is
Jesus You are faithful to the end
