A thousand times I've failed  
Still Your mercy remains  
And should I stumble again  
Still I'm caught in Your grace

Everlasting  
Your light will shine when all else fades  
Never ending  
Your glory goes beyond all fame

My heart and my soul, I give You control  
Consume me from the inside out, Lord  
Let justice and praise become my embrace  
To love You from the inside out

Your will above all else  
My purpose remains  
The art of losing myself  
In bringing You praise

Everlasting  
Your light will shine when all else fades  
Never ending  
Your glory goes beyond all fame

My heart and my soul, I give You control  
Consume me from the inside out, Lord  
Let justice and praise become my embrace  
To love You from the inside out

Everlasting  
Your light will shine when all else fades  
Never ending  
Your glory goes beyond all fame  
And the cry of my heart  
Is to bring You praise  
From the inside out  
Lord, my soul cries out

My soul cries out to You  
My soul cries out to You  
To You, to You

My heart and my soul, I give You control  
Consume me from the inside out, Lord  
Let justice and praise become my embrace  
To love You from the inside out

Everlasting  
Your light will shine when all else fades  
Never ending  
Your glory goes beyond all fame

And the cry of my heart  
Is to bring You praise  
From the inside out  
Lord, my soul cries out

Everlasting  
Your light will shine when all else fades  
Never ending  
Your glory goes beyond all fame

And the cry of my heart  
Is to bring You praise  
From the inside out  
Lord, my soul cries out

From the inside out  
Lord, my soul cries out  
From the inside out  
Lord, my soul cries out
