You hold my every moment
You calm my raging sea
You walk with me through fire
And heal all my disease

I trust in you
I trust in you

I believe you're my healer
I believe that you are all I need
Jesus, Jesus, Jesus
I believe that you're my portion
And I believe you're more than enough for me
Jesus you're all I need---my healer

Nothing is impossible for you
Nothing is impossible

Nothing is impossible for you
you hold my world in your hands
