Visit "[His Love](#)" on MotoLyrics.com

You're light is over me
Flooding over me
The night is lifted

Heaven over me
Flooding over me
I can't contain it

My cup overflows
My cup overflows

Praise the Lord
With all my heart
Praise Him for He
Has done great things

His banner over me is love
His love
His banner over me is love
His love

You brought the sunshine in
Turned the dark to day
You made the shadows flee away

You opened up my eyes
To a new and living way
The dawning of a brand new day
