For the love poured out
For the price of freedom
Let the whole Earth sing
Hear the praises rising
We stand in awe of what You've done for us at the
cross

The hope of the world
Lifted on high
Calling us home with arms out wide
To know You forever
To love You forever
You are our everything

Our sin erased
We're forgiven
You made a way
You are our ransom
We owe this life for all You've done for us at the cross

The hope of the world
Lifted on high
Calling us home with arms out wide
To know You forever
To love You forever
You are our everything
[x2]

All we need is You
All we need is You
All we need is You
All we need is You

The hope of the world
Lifted on high
Calling us home with arms out wide
To know You forever
To love You forever
You are our everything
[x2]

To know You forever
To love You forever
You are our everything
[x2]
