Upon the hill of Calvary
He came from heaven's throne
Our fallen-ness and mercy meet
Where blood and water flow
What grace divine,
What selflessness
That Christ would bear the weight
Our proof is scarred
On hands that bled
That we were worth every nail
All the praise and glory to God
We sing hallelujah
Sing hallelujah
For the King has carried the cross
He is risen from the grave
Beyond the tomb to holy skies
He rose in victory
And bridged for us
The great divide
His life is our liberty

Your love
It's Your love
It's Your love that has saved me
Your blood
It's Your blood
It's Your blood that has claimed me
