You're marvellous,
You're glorious,
Beautiful Jesus

You're wonderful
You're powerful
Great I Am, Jesus (2x)

Your name is lifted high over all
The King of kings, the Lord of all Lords
The angels cry, the earth proclaims
Jesus is the King

You're marvellous,
You're glorious,
Beautiful Jesus

You're wonderful
You're powerful
Great I Am, Jesus (2x)

Your name is lifted high over all
The King of kings, the Lord of all Lords
The angels cry, the earth proclaims
Jesus is the King

Your name is lifted high over all
The King of kings, the Lord of all Lords
The angels cry, the earth proclaims
Jesus is the King of love
