Outside the city walls
On a wooden cross
A light in the darkness
Bleeding from Your hands
Flowing from Your side
A river of mercy
A river of mercy

Your love so great
Higher than the stars
Unfailing love
Deeper than the sea
Your love so sure
Stronger than the mountains
Oh Your love
It's everything to me
How deep, how wide, how long, how high

Thorns that made a crown
Forgiveness falling down
Your wounds are our healing
The earth began to move
And all of heaven knew
Death was defeated
And all because of You Jesus

Your love so great
Higher than the stars
Unfailing love
Deeper than the sea
Your love so sure
Stronger than the mountains
Oh Your love
It's everything to me

Your love so great
Higher than the stars
Unfailing love
Deeper than the sea
Your love so sure
Stronger than the mountains

Oh Your love
It's everything to me
How deep, how wide, how long, how high
How deep, how wide, how long, how high
How deep, how wide, how long, how high

Your love so high
Your love so high
Your love so high
Your love so high...
