Everyone needs compassion
A love that's never failing
Let mercy fall on me

Everyone needs forgiveness
The kindness of a Savior
The hope of nations

Savior, He can move the mountains
My God is mighty to save
He is mighty to save

Forever author of salvation
He rose and conquered the grave
Jesus conquered the grave

So take me as You find me
With all my fears and failures
Fill my life again

I give my life to follow
Everything I believe in
And now I surrender

Savior, Savior, He can move the mountains
My God, my God is mighty to save
He is mighty to save

Forever author of salvation
He rose, He conquered the grave
Jesus conquered the grave

Shine your light and let the whole world see
We're singing for the glory of the risen King, Jesus
Shine your light and let the whole world see
We're singing for the glory of the risen King

Savior, He can move the mountains
My God is mighty to save
He is mighty to save

Forever author of salvation

He rose and conquered the grave
Jesus conquered the grave

Savior, He can move the mountains
My God is mighty to save
He is mighty to save

Forever author of salvation
He rose and conquered the grave
Jesus conquered the grave

Savior, He can move the mountains
My God is mighty to save
He is mighty to save

Forever author of salvation
He rose and conquered the grave
Jesus conquered the grave

Savior, He can move the mountains
My God is mighty to save
He is mighty to save

Forever author of salvation
He rose and conquered the grave
Jesus conquered the grave
