Your faithful love
Has always been there for me
The greatest love
That I have ever known
What can I give to you
For all Youve given to me
You gave it all
And You are all I need

Pre-Chorus:
You are my king, You are my God
The praises I bring
Come from my heart

Chorus:
This is for You
For all Youve done for me
And I wanted to show You
How much You mean
My God, my God

Your faithful love
Has always been there for me
The greatest love
That I have ever known
What can I give to you
For all Youve given to me
You gave it all
And You are all I need

Pre-Chorus:
You are my king, You are my God
The praises I bring
Come from my heart

Chorus:
This is for You
For all Youve done for me
And I wanted to show You
How much You mean
My God, my God

This is for You
For all Youve done for me
And I wanted to show You
How much You mean
My God, my God

Bridge:
This is for you
This is for you
This is for you
This is for you (repeat)

Chorus:
This is for You
For all Youve done for me
And I wanted to show You
How much You mean
My God, my God

This is for You
For all Youve done for me
And I wanted to show You
How much You mean
My God, my God
