In the shadows my spirit weak
Love broke the darkness and lifted me
And I know you'll never let me go

Verse 2

In the storm in the raging sea
Love conquered the fear and delivered me
And I know you'll never let me go

Oh love in the shadows
Be the light who leads me on
You're love I will follow
Be my guide, you're will be done
Oh Lord

Verse 3

In the arms of the one unseen
Love carried the cross that was meant for me
And I know you'll never let me go

Bridge

Oh love I surrender, now forever I'll be loved
In the love of the father, you are faithful you are strong
So hold me now, hold me now, hold me now

Verse 4

Nothing in this life has walked these streets
Love opened my eyes show me what you see
And I know I'll never let you go
