One thing I desire  
One thing I seek  
To gaze upon Your beauty  
Your majesty

God of my salvation  
Lifter of my head  
Teach me how to live, oh Lord  
In Your righteousness

So I pray to You  
So I pray to You

Chorus:  
Lord Your Name is higher than the heavens  
Lord Your Name is higher than all created things  
Higher than hope, higher than dreams  
The Name of the Lord

In the day of trouble  
You cover me  
In the secret place of refuge  
Lord, I will sing

Repeat Chorus

And I will seek Your face  
Call upon Your name, Jesus  
All I want is You, Jesus  
(3x)

Repeat Chorus
