Saviour of my soul
I worship You as God alone
Greater love has made a way to You

I could not forget
The moment I in faith confessed
For my sin You died and rose again

I believe every word You say
Father God with all my heart I sing

Open my eyes
I want to see Your glory Your glory Lord
I open my heart
I want to be closer closer to You

Here I am again
I find my strength in drawing near
You have heard the desperate cry in me

And as I wait on You my God
I'll know the voice of truth
In quietness I am in awe
And as I worship You my Lord
I understand the cross
The sacrifice of God
