Every soul every beating heart  
Every nation and every tongue  
Come find hope in the love of the Father

All creatuon will bow as one  
Lift their eyes to the risen Son  
Jesus Savior forever and after

This is love  
Jesus came and died and gave His life for us  
Let our voices rise and sing for all He's done  
Our fear is overcome  
Our God is love  
Our God is love

Every distant and broken heart  
Every prayer every outstretched arm  
Finding hope in the love of the Father

Age to age let His praises rise  
All the glory for all of time  
Jesus Savior forever and after

Age to age we will be singing  
In the light poor all He's done  
All the earth everyone singing  
In the wonder of His love
