I wanna see the broken hearts  
Finding hope in God above  
I wanna know I'm doing all I can  
So with this life, with all I am  
No matter what the cost may be  
I pray to see Your love become our cause

I won't stop believing  
You alone are, You alone are God  
In You there's freedom

Your love brings me to my knees again  
We're gonna bring an anthem of love  
We're gonna live for You now

This perfect love, I can't explain  
This way of life that has no end  
Your mercy satisfies, it's all I need  
My purpose found in You alone  
To love the lost and bring them home  
We were made to glorify our King

I won't stop believing  
You alone are, You alone are God  
In You there's freedom

Your love brings me to my knees again  
We're gonna bring an anthem of love  
We're gonna live for You  
May Your love become my every thought  
I wanna know the sound of Your heart  
I wanna live for You now

Sing You, You bring me life  
You bring me hope  
You're all I need

Sing You, You bring me life  
You bring me hope  
You're all I need

Sing You, You bring me life

You bring me hope  
You're all I need

Sing You, You bring me life  
You bring me hope  
You're all I need

Sing You, You bring me life  
You bring me hope  
You're all I need

Sing You, You bring me life  
You bring me hope  
You're all I need
