Ready at the line looking out
Looking out to all that's ahead
When every heart confesses Your name
We're pressing on towards that day
We're never gonna stop
We're never gonna stop

Letting go of every mistake
Throwing off the chains of restraint
And all that will remain
A passion for Your name
Burning as we run this race
We're never gonna stop
We're never gonna stop
We're never gonna stop
We're never gonna stop

We are running
Chasing after all that You are
We are running
'Cause all that You are
Is all that we want now

Every stride is taken in faith
Every step compelled by Your grace
We're taking up our cross
No matter what the cost
We give it all to go Your way
We're never gonna stop
We're never gonna stop

We are running
Chasing after all that You are
We are running
'Cause all that You are
Is all that we want now
[X2]

Onwards we draw towards Your light
Desperate we seek
To know You more and more

Further we look beyond ourselves
To Your love
To Your love
[X2]

'Cause we are running
We're chasing after all that You are
We are running
'Cause all that You are
Is all that we want now

We're running
Chasing after all that You are
We are running
'Cause all that You are
Is all that we want now
