Search my heart and search my soul
There is nothing else that I want more
Shine Your light and show Your face
In my life, Lord, have Your way, have Your way

Hear my cry and hear my prayer
Draw me close, I know You're near
Give me strength and give me grace
To walk with You, Lord, all my days

So with all my heart and all my soul
With all I am, Lord, I will follow You
You took the cross, You took my shame
Restored my life, now I live to worship You

Search my heart and search my soul
There is nothing else that I want more

With all my heart and all my soul
With all I am, Lord, I will follow You
You took the cross, You took my shame
Restored my life, Lord, I will follow You

Without You I am nothing
Without You I am nothing
Without You I am nothing
Without You I am nothing
Without You I am nothing

Without You I am nothing
Without You I am nothing
Without You I am nothing
Without You I am nothing
Without You I am nothing

With all my heart and all my soul
With all I am, Lord, I will follow You
You took the cross, You took my shame
Restored my life, Lord, I will follow You

Without You I am nothing
Without You I am nothing

Without You I am nothing
Without You I am nothing

Without You I am nothing
Without You I am nothing
Without You I am nothing
Without You I am nothing

Search my heart and search my soul
