Found love beyond all reason
You gave Your life, Your all for me
And called me Yours forever

Caught in the mercy fallout
I found hope, found life
Found all I need
'Cause You're all I need

The time has come
To stand for all we believe in
So I, for one, am gonna
Give my praise to You

Today, today, it's all or nothing
All they way, the praise goes out to You
Yeah, all the praise goes out to You

Today, today, I live for one thing
To give You praise in everything I do
Yeah, all the praise goes out to You

I found love beyond all reason
You gave Your life, Your all for me
And called me Yours forever

Caught in the mercy fallout
I found hope, found life
Found all I need
'Cause You're all I need

The time has come
To stand for all we believe in
So I, for one, am gonna
Give my praise to You

Today, today, it's all or nothing
All they way, the praise goes out to You
Yeah, all the praise goes out to You

Today, today, I live for one thing
To give You praise in everything I do

Yeah, all the praise goes out to You

Goes out to You

All we are is Yours
And all we're living for
Is all You are
Is all that You are, Lord

All we are is Yours
And all we're living for
Is all You are
Is all that You are, Lord

'Cause all we are is Yours
And all we're living for
Is all You are
Is all that You are

The time has come
To stand for all we believe in
So I, for one, am gonna
Give my praise to You

The time has come
To stand for all we believe in
So I, for one, am gonna
Give my praise to You

Today, today, it's all or nothing
All they way, the praise goes out to You
Yeah, all the praise goes out to You

Today, today, I live for one thing
To give You praise in everything I do
Yeah, all the praise goes out to You

Everything I do
Yeah, all the praise goes out to You
Everything I do
Yeah, all the praise goes out to You
