Before the world
You knew the plans for me
Before my heart believed
You came to my rescue
And now I'm found in love
There's nowhere else to run
You keep my life within
Your mighty hand
Oh God

There's no end to Your love
There's no end to Your love
You're with us
You're with us
There's nothing in this world
That could take You away
You're with us
You're with us

Before I call
I know You'll answer me
You'll make a way
Beyond what I could imagine
What could separate
From the love You give
I put my hope in everything
That You are
Oh God

There's no end to Your love
There's no end to Your love
You're with us
You're with us
There's nothing in this world
That could take You away
You're with us
You're with us

You reign in our hearts
You reign above all
Be lifted on high

You reign in our hearts
You reign above all
Be lifted on high
You reign in our hearts
You reign above all
Be lifted on high
You reign in our hearts
You reign above all
Be lifted on high

There's no end to Your love
There's no end to Your love
You're with us
You're with us
There's nothing in this world
That could take You away
You're with us
You're with us
