"Wonderful God"

Visit "[Wonderful God](#)" on MotoLyrics.com

Beautiful is Your creation
You're glorious in every way
You surround us with
Your faithful love
And we can trust in all You say

Wonderful God
Wonderful O God

You are worthy of all glory
All honour and praise
All to You our God
Forever and always
You are worthy of our worship
And worthy of our love
We stand in awe of
All You are

You are love
You are life
You are all glorious
You are love
You are life
You are all glorious
