You are holy, holy
Lord there is none, like you
You are holy, holy
Glory to you, my lord (2x)

I sing your praises forever
Deeper in love with you
Here in your courts
Where I'm close to your throne
I've found better light in you lord (2x)

I sing your praises forever
Deeper in love with you
Here in your courts
Where I'm close to your throne
I've found where I belong

You are holy, holy
Lord there is none, like you
You are holy, holy
Glory to you, my lord

I sing your praises forever
Deeper in love with you
Here in your courts
Where I'm close to your throne
I've found where I belong
(In the lord, yeah)

I sing your praises forever
Deeper in love with you (love with you)
Here in your courts
Where I'm close to your throne
I've found where I belong

I sing your praises forever (forever)
Deeper in love with you (love with you)
Here in your courts
Where I'm close to your throne
I've found where I belong (2x)
