What is this love given to us
That saved my life through selfless sacrifice
Although we fail the cross prevails
Forgiveness stands
You take me back again

You've shown me life
You've opened my eyes
So I give You my praise
Yeah I give You my all
You've shown me life
You've opened my eyes
To the truth that there's no greater love

Now in the darkness God's light shines
Christ forever glorified

So come on come on sing out to God
Now with all we've got
We live for You our God

Salvation's strong in Christ alone
The Saviour King alone in victory
I step aside give You my life
For You to move do what You want to do

I can't imagine a life without You without You
'Cause it's all for You
Yeah it's all for You
God
