On that day when I see  
All that You have for me  
When I see You face to face  
There surrounded by Your grace

All my fear is swept away  
In the light of your embrace  
When Your love is all I need  
And forever I am free

Where the streets are made of gold  
In Your presence healed and whole  
Let the songs of heaven rise to you alone

No weeping, no hurt or pain  
No suffering You hold me now  
You hold me now  
No darkness no sick or lame  
No hiding You hold me now,  
You hold me now

In this life I will stand  
Through my joy and my pain  
Knowing there's a greater day  
There's a hope that never fails

When Your name is lifted high  
And forever praises rise  
For the glory of Your Name  
I'm believing for the day

When the wars and violence cease  
All creation lives in peace  
Let the songs of heaven rise to you alone

No weeping, no hurt or pain  
No suffering You hold me now  
You hold me now  
No darkness, no sick or lame  
No hiding You hold me now,  
You hold me now

For eternity  
All my heart will give  
All the glory to Your name

For eternity  
All my heart will give  
All the glory to Your name

For eternity  
All my heart will give  
All the glory to Your name

For eternity  
All my heart will give  
All the glory to Your name

No weeping, no hurt or pain  
No suffering You hold me now  
You hold me now  
No darkness no sick or lame  
No hiding You hold me now,  
You hold me now

No weeping, no hurt or pain  
No suffering You hold me now  
You hold me now  
No darkness no sick or lame  
No hiding You hold me now,  
You hold me now

No weeping, no hurt or pain  
No suffering You hold me now  
You hold me now  
No darkness no sick or lame  
No hiding You hold me now,  
You hold me now
