VERSE 1:

Say His Name within the darkest hour
And see His light illuminate our path
The road is narrow but our gaze is set
On the love of Christ 'til the very end

VERSE 2:

We walk in the truth that overcame our sin
Leaving our past and how we once had lived
Giving our lives to see
Your Name made known
'Cause the love of Christ is what the world
Needs most

PRE CHORUS:

So Lord
Lead us in the ways of Your love
To lead a broken world to Your cross
Lead us in the ways of Your love

CHORUS:

We are Yours forever
Our lives won't be the same
Yours forever our eyes won't turn away
Yours forever

VERSE 3:

We sing Your praises 'til our lungs give out
To the hope of the world
The One who gave us life
Giving our lives to see
Your Name made known
'Cause the love of Christ is
What the world needs most

CHORUS 2:

We are Yours forever
Our lives won't be the same
Yours forever our eyes won't turn away
Yours forever our lives won't be the same
Yours forever our eyes won't turn away

BRIDGE:

We're living in the One who gave

His life to see our sin erased

We know

We know

Our hope is never gonna fade away
