I have never walked on water
felt the waves beneath my feet but
at Your word Lord, I'll receive Your
faith to walk on oceans deep

and I remember how You found me
in the very same place
all my failings surely would have drowned me
still You made a way

You are my freedom
Jesus, You're the reason
I'm kneeling again at Your throne
where would I be without You here in my life
here in my life

You have said that all the heavens
sing for joy at one who finds the
way to freedom, truth of Jesus
bought from death into His life

and I remember how You saw me
through the eyes of Your grace
and though the cost was Your beloved for me
still You made a way
