Some say you're just a good man
Some say you are kind
Some say you are in the grave
But I say you're alive

Some say you're just a prophet
Some say you were wise
Some say you were just a man
But I say you are god, you are my god

I will shout your fame to all the earth
I will lift your name on high
And the world will know your greatness
You are my god
I will shout your fame

I know you're the Messiah
You gave your life for me

I know you're the only way
Jesus you are god, you are my god

I will shout your fame to all the earth
I will lift your name on high
And the world will know your greatness
You are my god
Jesus I will shout your fame to all the earth
I will lift your name on high
I will show the world your goodness
As I live a life that shouts your fame (X2)

Jesus I decide to live, live a life that shouts your fame
(X4)
(Shout your fame)
