No more carefree laughter  
Silence ever after

Walking through an empty house  
Tears in your eyes  
This is how the story ends  
This is goodbye

Knowing me, knowing you  
There is nothing we can do  
Knowing me, knowing you  
We just have to face it  
This time we're through

Breaking up is never easy  
I know but I have to go  
Knowing me, knowing you  
It's the best I can do

Memories, good days, bad days  
They'll be with me always

In those old familiar rooms  
Children would play  
Now there's only emptiness  
Nothing to say

Knowing me, knowing you  
There is nothing we can do  
Knowing me, knowing you  
We just have to face it  
This time we're through

Breaking up is never easy  
I know but I have to go  
Knowing me, knowing you  
It's the best I can do

Knowing me, knowing you  
It's the best I can do
