I know how it  
I know how it  
I know how it  
I know how it  
I know how it

I know how it feels  
To be on your own  
In this cruel world where hearts  
Are bound to turn to stone  
Where you are alone

And tired of breathing  
It's all going wrong  
And you just can't stand the pain any more  
You're too numb to believe in  
In anything

Baby, just don't close your heart  
Baby, just don't close your heart  
Baby, just don't close your heart  
Darling, don't let me down

I know how easy it is to let go  
Surrender to despair lurking at your door  
To lose your soul and all your feelings  
Strength all gone

And so many things left unsaid  
And deeds undone  
You've stopped caring  
'Cause it's all in vain

Baby, just don't close your heart  
Baby, just don't close your heart  
Baby, just don't close your heart  
Darling, don't let me down

You are so alone  
And tired of breathing  
It's all going wrong  
And you just can't stand the pain

Baby, just don't close your heart  
Baby, just don't close your heart  
Baby, just don't close your heart  
Darling, don't let me down

Don't let me down  
Don't let me down  
Just don't let me down
