Hiding underneath the veil of broken dreams
We find her weeping on her once white wings
She will be carrying the weight of our deeds
And she bleeds for love forever gone

Drunk on shadows and lost in a lie
Killing ourselves a kiss at a time
And devils dance while angels smile
Drunk on shadows and lost in a lie

Finding souls to feed
The night side of Eden
We see her struggling
For her love's last breath and walk off

Drunk on shadows and lost in a lie
Killing ourselves a kiss at a time
And Devils dance while Angels smile
Drunk on shadows and lost in a lie

She's blinded by the fear
Of life and death and everything in between
We smile when she cries a river of tears
A mirror we see nothing but a reflection of Heaven so
far away

Drunk on shadows and lost in a lie
Killing ourselves a kiss at a time
And Devils dance while Angels smile
Drunk on shadows and lost in a lie

So alive
(Drunk on shadows)
So alive
(Drunk on shadows)
So alive
(Drunk on shadows)
(Drunk on shadows)
So alive
(Drunk on shadows)
And drunk on shadows
