"Gone With The Sin"

I love your skin, oh so white
I love your touch, cold as ice
And I love every single tear you cry
I just love the way you're losing your life

Woah, my baby, how beautiful you are
And, woah, my darling, completely torn apart
You're gone with the sin, my baby and beautiful you are
So gone with the sin, my darling

I adore the despair in your eyes
I worship your lips, once red as wine
And I crave for your scent, sending shivers down my
spine
And I just love the way you're running out of life

Woah, my baby, how beautiful you are
And, woah, my darling, completely torn apart
You're gone with the sin, my baby and beautiful you are
So gone with the sin, my darling

Woah, my baby, how beautiful you are
And, woah, my darling, completely torn apart
You're gone with the sin, my baby and beautiful you are
So gone with the sin, my darling
