Don't run away  
Cause I can't live without you  
Please stay  
And I learn to love you right

I was waiting for you  
Waiting for all my life  
I've been crying for you  
Die for you all this time  
I was waiting for you  
Waiting for all my life  
And I'm not going to  
Lose you tonight

Don't run away  
I never wanted to hide you  
Please stay  
And I learn to treat you right

I was waiting for you  
Waiting for all my life  
And I've been crying for you  
Die for you all this time  
I was waiting for you  
Waiting for all my life  
And I'm not going to  
Lose you tonight

I was waiting for you  
Waiting for all my life  
And I've been crying for you  
Die for you all this time  
I was waiting for you  
Waiting for all my life  
And I'm not going to  
Lose you tonight

I was waiting for you  
Waiting for all my life

Oh, I can't live without you

And I've been crying for you  
Die for you all this time

I never want adore you

I was waiting for you  
Waiting for all my life  
And I'm not going to  
Lose you tonight

I'm going to lose you tonight

I was waiting for you  
Waiting for all my life  
And I've been crying for you  
Die for you all this time  
I was waiting for you  
Waiting for all my life  
And I'm going to  
Lose you tonight
