Don't run away
I can't live without you
Please stay
And I learn to love you right

I was waiting for you
Waiting for all my life
And I've been crying for you
Dying for you all this time
I was waiting for you
Waiting for all my life
And I'm not gonna
Lose you tonight
No, I ain't gonna lose you tonight

Don't run away
I never wanted to hurt you
Please stay
And I learn to treat you right

I was waiting for you
Waiting for all my life
And I've been crying for you
Dying for you all this time
I was waiting for you
Waiting for all my life
And I'm not gonna
Lose you tonight

I was waiting for you
Waiting for all my life

And I've been crying for you
Dying for you all this time
I was waiting for you
Waiting for all my life
And I'm not gonna
Lose you tonight

I was waiting for you
Waiting for all my life

Oh, I can't live without you

And I've been crying for you
Dying for you all this time

I never want adore you

I was waiting for you
Waiting for all my life
And I'm not gonna
Lose you tonight

I ain't gonna lose you tonight

I was waiting for you
Waiting for all my life
And I've been crying for you
Dying for you all this time
I was waiting for you
Waiting for all my life
And I'm not gonna
Lose you tonight
