Confusion writhes around our hearts impatiently  
It drains the faith that lights the dark and sets us free  
From the chains of our war and the pain we once called  
love

The poison of doubt enslaves our minds and we bleed  
We abandon the trust that kept us blind and disappear  
Under the crimson wings of hate where the lost are  
safe  
Until they love again

The heart of darkness is hope of finding you there  
And that hope will be our love's requiem

We pray to the serpent of delight desperately  
The questions are answered and we try not to weep  
Until we are sure we're suffering for love  
In the dungeons of our dreams we're so weak  
The promise made to be broken still haunts our sleep  
And we wont open our eyes afraid we would die for  
love

The heart of darkness is hope of finding you there  
And that hope will be our love's requiem

The salvation we seek will be waiting us there  
In the heart of darkness lonely and scared  
With a promise of death for our love  
And now that we're free from the chains of our dear  
love  
I'm lost, so lost

The heart of darkness is hope of finding you there  
And that hope will be our love's requiem

Take me into your arms and sing me your beautiful  
song  
Hold me until we're one and sing me your beautiful  
song
