"Love's Requiem"

Confusion writhes around our hearts impatiently
It drains the faith that lights the dark and sets us free
From the chains of our war and the pain we once called
love

The poison of doubt enslaves our minds and we bleed
We abandon the trust that kept us blind and disappear
Under the crimson wings of hate where the lost are
safe

Until they love again

The heart of darkness is hope of finding you there
And that hope will be our love's requiem

We pray to the serpent of delight desperately

The questions are answered and we try not to weep

Until we are sure we're suffering for love

In the dungeon of our dreams we're so weak

The promise made to be broken still haunts our sleep

We won't open our eyes afraid we would die for love
again

The heart of darkness is hope of finding you there

And that hope will be our love's requiem

The salvation we seek will be waiting us there

In the heart of darkness lonely and scared

With a promise of death for our love

And now that we're free from the chains of our dark
love

I'm lost

And now that we're free from the chains of our dark
love

I'm lost

The heart of darkness is hope of finding you there

And that hope will be our love's requiem

Take me into your arms and sing me your beautiful
song

Hold me until we're one and sing me you're beautiful
song

The heart of darkness is hope of finding you there

And that hope will be our love's requiem

Take me into your arms and sing me your beautiful
song

Hold me until we're one and sing me you're beautiful
