We're drifting apart
But I want you to know
Wherever you are I belong

Love's singing our song
But we fail to sing along
Wherever you go I will follow

So please, don't let it
Please, don't let it go
'Cause if you won't let it, I won't let it go

So please, don't let it
Please, don't let it go
'Cause if you won't let it, I won't let it go

You try to be strong
But you're always so alone
Whatever I do, I do it wrong

Death sings our song
And we eagerly sing along
Whatever you do I adore, I adore

So please, don't let it
Please, don't let it go
'Cause if you won't let it, I won't let it go

So please, don't let it
Please, don't let it go
'Cause if you won't let it, I won't let it go, oh

Don't let go of life
Let go of love
Let go of all we have

But don't let go of trust
Let go of lust
Let go of all we share

So please, don't let it
Please, don't let it go

'Cause if you won't let it, I won't let it go

So please, don't let it

Please, don't let it go

'Cause if you don't let it, I won't let it go

So please, don't let it

Please, don't let it go

'Cause if you won't let it, I won't let it go

Please, don't let it

Please, don't let it go

'Cause if you won't let it, I won't let it go

Please, don't let it

Please, don't let it go

'Cause if you won't let it, I won't let it go

Please, don't let it

Please, don't let it go
