The girl who cried love
Won't you come and play with me?
You can be Cassandra
Underneath the sword of Damocles

We'll tear this baby apart
Wise like Solomon

Run, come, shatter me now
Shatter me with hope
Crawl, come, breathe me in
Bleed out sorrow

Scream me a dream
Untouched by shadows
Baby, shatter me now, shatter me now
Shatter me with hope

She'll be the witness
To the repose of Nevelen
Push the needle in
To the of canticles of ecstasy

Turn to page forty-three
And you'll know how I feel

Run, come, shatter me now
Shatter me with hope
Crawl, come, breathe me in
Bleed out all sorrow

Scream me a dream
Untouched by shadows
Baby, shatter me now, shatter me now
Shatter me with hope

Swear on your heart's grave I'm wrong
And love like your life's depending on it
'Cause it is

We'll tear this baby apart
Wise like Solomon

Turn to page forty-three
And you'll know how I feel

Run, come, shatter me now
Shatter me with hope
Crawl, come, breathe me in
Bleed out all sorrow

Scream me a dream
Untouched by shadows
Baby, shatter me now, shatter me now
Shatter me with hope

Shatter me now, shatter me now
Shatter me with hope
Shatter me now, shatter me now
Shatter me with hope

Scream me a dream
(Shatter me now, shatter me now)
(Shatter me with hope)

Scream me a dream
(Shatter me now, shatter me now)
(Shatter me with hope)
