I can't see as I'm facing your pitiful lies
Don't have the strength to carry your heavy load of life
I'm your Christ to die on you
This worlds not for us, and you know it as well as I do

Oh

I can't see through your eyes, bring your tears on me
I will leave the body for your shoulder you just have to
killing
I'm your Christ to die on you
This worlds not for us, and you know it as well as I do

Oh as well as I do
Oh as well as I do
Just as well as I do
Oh as well as I do
Oh as well as I do

So I'm your Christ to die on you
This worlds not for us, and you know it as well as I do

So I'm your Christ to die on you
This worlds not for us, and you know it as well as I do

Oh, so you've come from above
And you say you want to
And I kill myself for your love
I'm killing myself for you, yes you

I can't see as I'm facing your pitiful lies
Don't have the strength to carry your heavy load of life
I'm your Christ to die on you
This worlds not for us, and you know it as well as I do

Yes you do
Yes you do, my Darling
Yes you do..oh
Yes you do, oh my Love
