Watch out for the kiss  
(Shout)  
There are things you should know (there are things you  
should know)  
Distance between us grows (Distance between us  
grows)  
You're holding on strong (You're holding on strong)  
Oh,how easy it will be to let go  
It's taking you far too long  
You did not look at the fire  
It is taking you far too long  
And it has become our funeral pyre

I spread my wings for you  
Heaven,let your gate be open  
I'll let you in with venomous kisses  
And death in its own beauty

Listen to my,listen to my heart  
To my,listen to my heart

I'm losing my faith in you  
You don't want it to be true  
But there's nothing you can do  
There's nothing you can do  
I've lost my faith in you  
You did not look at the fire  
I've lost my faith,it's true  
And it has become our funeral pyre

I spread my wings for you  
Heaven,let your gate be open  
I'll let you in with venomous kisses  
My love in its own cruelty

Listen to my,listen to my heart  
To my,listen to my heart

Listen to my heart,you'll hear it sing aah aah aah ah  
A song of returning to heaven through my poison sting

Listen to my heart,you'll hear it sing,aah aah aah ah  
A song of returning to heaven through my poison  
sting,aah aah aah ah  
Listen to my heart,you'll hear it sing,la la la la la la lah  
A song of returning to heaven through my poison  
sting,aah aah aah ah  
Listen to my heart,you'll hear it sing,aah aah aah ah  
A song of returning to heaven through my poison  
sting,aah aah aah ah  
Listen to my heart,you'll hear it sing,la la la la la la lah  
A song of returning to heaven through my poison  
sting,aah a
