You can't escape the wrath of my heart
Beating to your funeral song
(You're so alone)
All faith is lust for hell regained
And love dust in the hands of shame
(Just be brave)

Let me bleed you this song of my heart deformed
I lead you along this path in the dark
Where I belong until I feel your warmth

Hold me
Like you held on to life
When all fears came alive and entombed me
Love me
Like you love the sun
Scorching the blood in my Vampire heart

I'm the the thorns in every rose
You've been sent by hope
(You'll grow cold)
I'm the nightmare waking you up
From the dream of a dream of love
(Just like before)

Let me weep you this poem as Heaven's gates close
Paint you my soul, scarred and alone
Waiting for your kiss to take me back home

Hold me
Like you held on to life
When all fears came alive and entombed me
Love me
Like you love the sun
Scorching the blood in my vampire heart

Hold me
Like you held on to life
When all fears came alive and entombed me
Love me
Like you love the sun
Scorching the blood in my vampire heart

Hold me
(Like you held on to life)
Like you held on to life
(When all fears came alive and entombed me)
My vampire heart

Love me
(Love me)
Like you love the sun
(Like you love the sun)
(Scorching the blood in my)
My vampire heart
