[Music by NRQ / Lyrics by NRQ and Wircki]

Once on my wintry journeys  
Resting in the gloomy light  
Of thousand stars in sight  
My sword by my side and my hood pulled warmly over  
me

I filled my lungs  
With chill scent of the night  
And closed my eeyes for a good night's sleep, I closed  
my eyes

I saw two ravens circle in the sky  
Soaring high, within the treetops they flied,  
One came down to me and croaked in a weird  
language that strangely made  
Perfect sense to me

"If it's knowledge you seek, please do  
Follow me, I will lead you to a man,  
The greatest man of all"

[Ref.]  
I cleansed my soul in the thousand lakes,  
Bathed my heart in the streams of knowledge,  
I cleansed my soul in the thousand lakes,  
Bathed my heart in the streams of knowledge

I followed the ravens across the woods  
Until we came to a place near mountains root,  
There was an cavern carved in stone,  
Carved in Stone  
An old man stood there alone  
One eyed he was, cloaked in hood  
Softly he spoke, invited me into his hut  
He showed me things I couldn't believe

He showed me places I didn't know existed,  
He teached me wisdom far beyond my imagination

[Ref]

Be hailed ye God of gods  
Be hailed ye all wise  
O' Odin all knowing  
Be hailed, ye hailed be
