It's been five years since I've seen her face  
She's the holy ghost lost without a trace  
And now were left with the what ifs  
It's been five years since she left for LA  
She's an angel with a dirty face  
And it seems to me  
She's a casualty of all the pressure  
That we put on her  
And now we've lost her for good  
It's such a shame shame shame  
That our homecoming queen  
Was a lot like you and a lot like me  
And she never walked on water  
Guess no one really saw her

She was so adored by everyone  
When it came to looks she was next to none  
But loved partying and having too much fun  
Then she hooked up with the wrong someone  
And he promised everything under the sun  
And it seems to me  
She's a casualty of all the pressure  
That he put on her  
And now we've lost her for good  
It's such a shame shame shame  
That our homecoming queen  
Was a lot like you and a lot like me  
And she never walked on water  
Guess no one really saw her  
A shame shame shame  
That our homecoming queen  
Had a lot to prove and so many to please  
She's just somebody's daughter  
Just looking for somebody to love her

Well I never knew you  
Wish I could've saved you  
From losers that drained you  
Before you got strung out  
With so much potential  
How could you let us down

It's such a shame shame shame  
That our homecoming queen  
Was a lot like you and a lot like me  
And she never walked on water  
Cause no one really saw her  
Shame shame shame  
That our homecoming queen  
Had a lot to prove and so many to please  
She's just somebody's daughter  
Just looking for somebody to love her  
She's just somebody's daughter  
Just looking for somebody to love her

It's such a shame shame shame...
