Rolled up my sleeves today  
Cause I thought that this was over  
But then you called to say  
You forgot that broach of your mother's  
Every time I try to cut the cord  
You come crawling back with some excuse  
You forgot something  
There's nothing good about goodbye  
I could swear I saw you cry  
Always knew you'd wind up f-falling, f-falling harder  
There's nothing good about goodbye  
Just say goodbye

Rolled up my sleeves today  
Cause I thought that this had ended  
But then you called again  
To tell me how you're gonna blow my best friend  
And every time I try to cut the cord  
You come crawling back with some excuse  
You forgot something  
There's nothing good about goodbye  
I can swear I saw you cry  
Always knew you'd wind up f-falling, f-falling harder  
Every story has two sides  
In the he-said-she-said fight  
But she'll always wind up  
F-falling, f-falling harder

Nothing good about goodbye  
Just say goodbye  
F-falling, f-falling harder  
You're falling apart  
F-falling, f-falling harder  
You're falling apart  
F-falling, f-falling harder  
You're falling apart  
F-falling, f-falling harder  
There's nothing good about goodbye  
I can swear I saw you cry  
I always knew you'd wind up f-falling  
F-falling harder

Every story has two sides  
In the he-said-she-said fight  
But she'll always wind up f-falling  
F-falling harder

Nothing good about goodbye  
Well, just say goodbye  
There's nothing good about goodbye  
Well, just say goodbye

F-falling, f-falling harder  
You're falling apart (to fade)
