She said nice to meet you  
But she didn't tell me her name  
With red lipstick and pale pink boots  
This bitch just blew me away  
Cocktails later  
She said to me  
Don't be late  
And heres my key  
Wanna know what happened next  
Take a wild guess  
I stumbled up the stairs  
To room 21

I walked in and saw her on the bed  
There was nothing to be said  
When we were done  
She said she loved the taste of my oh oh oh  
When I came to the next morning  
There were cigarettes put out on the floor  
Her panties hangin fromt he doorknob  
She left me cravin more  
I swear to God you'd feel the same  
If you got used my what's her name  
Wanna know what happened next  
Well take a wild guess  
I stumbled out the door  
Of room 21

I walked out with her in my head  
Can't remember a damn thing she said  
When we were done  
She said she loved the taste of my oh oh  
She said nice to meet you  
I never forget a face  
Here we go again  
I can't wait  
I'm gonna get used by what's her fuckin name  
Wanna know what happened next  
Well take a guess  
I stumbled out of the door  
Of room 21

I walked out with her in my head  
Can't remember a damn thing she said  
Stumblin out the door  
Of room 21  
(Here we go again)  
Room 21  
(Here we go again)  
Room 21  
(Here we go again)  
Room 21  
(Here we go again)
